## Employment

Be part of our team and work for a dynamic non-profit that is making a real difference for the environment! Blue Water Baltimore is currently accepting applications for the following positions:

### Development and Communications Intern

Blue Water Baltimore is currently seeking a highly motivated, part-time, **Development and Communications Intern** to assist with our fundraising, marketing and communication efforts. The internship is part-time and paid, college credit possible, 10-15 hours/week, negotiable, set schedule. Length of this position is up to 6 months, July – December 2017.

For more information and to apply, please click: [Development and Communications Intern](#).

## Restoration Technician I

Blue Water Baltimore, the leading water quality nonprofit in Baltimore, seeks an entry-level **Restoration Technician I** to plant trees, execute landscaping duties, operate moderate to heavy equipment, and to perform other non-skilled and skilled activities to complete assigned tasks. For more information and to apply, please click: [Restoration Technician I](#).

## Public Policy Manager

Blue Water Baltimore, the leading water quality nonprofit in Baltimore, seeks a full-time **Public Policy Manager** to engage in public policy activities including legislation at the local, state and federal levels. The Public Policy Manager's primary policy focus relates to the major causes of water pollution in the urban environment, including stormwater pollution, sewage, toxics and trash. For more information and to apply, please click: [Public Policy Manager](#).

## Nursery Coordinator

Blue Water Baltimore seeks a full-time **Nursery Coordinator** to oversee daily operations of the Herring Run Nursery, coordinate retail sales and inventory, and manage the nursery's social media content and delivery. The Nursery Coordinator helps produce an excellent quantity and variety of native plant species, maintains the health and attractiveness of plants, provides customers with a pleasant and productive shopping experience, and coordinates the work of junior staff and volunteers. For more information and to apply, please click: [Nursery Coordinator](#).

## Nursery Worker

Blue Water Baltimore seeks a part time, seasonal **Nursery Worker** to support Herring Run Nursery, our native plant nursery. The nursery grows and sells perennials, grasses, ferns, shrubs and trees of mostly mid-Atlantic species. This is a fantastic opportunity to learn about native plants and ecological gardening. The Nursery Worker supports the nursery's growing operations and facilities maintenance. For more information and to apply, please click: [Nursery Worker](#).
